

Tri-City Wordsmiths Presents:

# Writing Comedy

How hard can it be?  
with  
**A.J. Devlin**

Humour is tricky, but it's a handy tool that every author should use.

Humour can enrich any story and surprise the reader, but it can also fall flat.

Award winning author, AJ Devlin's two novels are an excellent example of how humour can be injected into a genre and make the story more enjoyable.

Spend an afternoon on Zoom and learn from the mystery-comedy author of ***Cobra Clutch*** (2018) and ***Rolling Thunder*** (2020)

**Saturday, August 8th, at 2pm.**
